

CANADIAN ARMY RECRUITING FOR ACTIVE AND RESERVE FORCES PROCEEDING STEADILY

OTTAWA.—Recruiting for both the active and reserve forces is "proceeding steadily," according to the defence department, which announced that there are 10,000 vacancies in the active force and 40,000 in the reserve force.

The active force, when up to strength, will number 20,000 officers and 100,000 men.

The reserve force, when up to strength, will number 20,000 officers and 100,000 men.

Military districts across Canada are being given instructions to start getting the active force up to strength by enlisting volunteers from either veterans or young men who have had no previous military training.

The districts are also being instructed to get the reserve force up to strength by enlisting volunteers from either veterans or young men who have had no previous military training.

MORE FOR EXPORT

Restrictions Have Been Lifted On Canadian Alfalfa Exports

OTTAWA.—Canadian alfalfa exports, which have been restricted for some time, are now being permitted to export without restriction, according to the government.

The restrictions were lifted because of the world-wide shortage of alfalfa, which has caused a shortage of alfalfa in Canada.

The government has decided to lift the restrictions because of the world-wide shortage of alfalfa, which has caused a shortage of alfalfa in Canada.

RENTAL INCREASE

General Lifting of Ceilings Is Seen During 1947

OTTAWA.—A general "across the board" increase in rental ceilings is expected in 1947, according to a study made by the government.

The study indicates that rental ceilings will be lifted in 1947, because of the increase in the cost of living.

The government has decided to lift the rental ceilings because of the increase in the cost of living.
